School Song

Jour - ney of our glad-some youth! Jour - ney of our quest for truth! Guid-ed by the light of know-ledge through the dark of - night. Though there will be - wind and rain, we shall con-quer all the pain. Dri-ven by the voice with - - in us 'til we find our way. We are young-sters of the world, We are mas - ters of our fu-ture: Dare to dream - with self-es - teem, All are e - du-ca-ble and can suc - ceed! We are young - sters of MKE C, Al - ma Ma-ter we sing to thee MKE C! MKE C! We're the pride of MKE C!
